1 an auto manufacturer?

2 A. I have never been hired in such a case because I  
3 would be conflicted out and because generally the defense  
4 lawyers are the ones who call is.

5 Q. So you've never testified for a plaintiff  
6 against an auto manufacturer; correct?

7 A. Correct. Not like a car manufacturer. The  
8 products that I almost testified about and then didn't  
9 was tree trimming equipment that moved on its own, so  
10 technically it's an automobile, but Ford, Chrysler,  
11 Toyota, that sort of thing.

12 Q. Have you ever testified that a product caused  
13 death or injury?

14 A. That would be something that I wouldn't really  
15 testify about one way or the other because that would be  
16 more of sort of a design thing or a defect thing, which I  
17 never -- I have no opinions about, but I've certainly  
18 testified that people have died in car crashes or have  
19 been injured in car crashes due to, you know, interaction  
20 with part of the car, part of the vehicle, et cetera.

21 Q. So you've never testified that a person was not  
22 killed or injured by a product?

23 MR. HILL: Object to the form.

24 MS. CANNELLA: Yeah. That was kind of  
25 confusing.
